KROUT SURGEON CARTER'S REPORT.

WASHINGTON, Sept. 8.—A report received at the Marine Hospital Service from Surgeon H. R. Carter, shows that the total number of yellow fever cases which have made their appearance at Orwood, Miss., is thirty-five, but up to this time there have been no deaths. The disease has been traced, according to Surgeon Carter, from Orwood to Taylor, a small town on the Illinois Central railroad, in Northern Mississippi where five cases were reported on July 20. Two of the persons who had been affected afterwards moved to Orwood, and from thence the disease is believed to have been contracted. This disease is a mild type, like that on the Mississippi coast last year, and no danger is apprehended by the officials that it will become serious in character.

A Friend Writes:

I have been sick for 6 long months, with stomach troubles, and generally run down. A friend of mine recommended Mr. T. M. Edmondson's brand of whitekeys, the Hackley, Prentiss and Barboe. I sent for a quart, and had my wife to make me two toddies a day, and I must say I feel like a well man.

Yours truly,
H. O. R.

Thank you sir. In reply will say I always keep the best brands of whitekeys made especially for medicinal purposes. When sick or, well, call on T. M. Edmondson and be refreshed and made to feel like a new man. West Seventh Street, opposite New Era's office.

RITUAL TO BE CHANGED

And Ex-Confederates Will Be Admitted.

BIG PARADE TO-DAY

Denver Will Probably Be the Next Meeting Place.

SHAW'S INSIDE TRACK.

(SPECIAL TO NEW ERA)
CINCINNATI, O., Sept. 8.—The industrial parade and peace jubilee were the striking events of the morning of the Grand Army of the Republic meeting.

The parade was a success in every respect. Thousands of cheering people were crowded together all along the line of march.

This afternoon a business meeting of great importance is being held. Present indications are that the ritual will be changed and ex-Confederate soldiers will be admitted as members of the order.

It all probably Denver will be selected as the place of the next annual gathering of the veterans. Philadelphia is making a strong fight for the meeting, but it is the opinion of many of the best posted persons that the Colorado city will win.

Sexton, of Illinois, appears to have the inside track in the contest for the office of Commander, though Shaw, of New York, is making a brilliant race. The chances are that Sexton will be elected.

Gen. Wheeler and his daughter, all of whom are in camp here, are grief-stricken.

WHITNEY'S CORNER ON HORSE-FLESH.

(SPECIAL TO NEW ERA)

rider and a superior judge of horse flesh. Jockey Sloan has been engaged to ride the nags and win all the money in sight.

Followers of the turf are watching these three expectantly. Whitney has the capital, Paget will pick out the animals and Sloan will put the deals through. It would be no surprise if the millionaire, the manager and the jockey get together a string that will be world-beaters.

NEWS IN A NUTSHELL.

Items From Earlington, Auburn, Russellville, Henderson, Owensboro and Elsewhere.

EARLINGTON.

The first day's meeting of the thirty-second session of the Kentucky conference of the African Zion Church was convened in the Methodist church in Earlington at noon yesterday. The meeting was called to order by the presiding Bishop, C. O. Petty. The meeting will continue over Sunday and assignments of pastors will be made Monday. The annual sermon was delivered by the Rev. E. H. Curry, of Indiana.

Auburn.—Auburn Seminary opened today under favorable auspices. Prof. O. B. Burnett is ably assisted by Miss Bradley, and Mrs. H. G. King, of Auburn.

Russellville.—A big tree on the farm of Mr. C. W. Nourse, on Mud river Logan county, has been exhibited for twenty-five years. A fox squirrel has also claimed the same tree for its home since several years prior to the occupation of the bees, and has raised young every year.

Henderson.—Henderson county will be represented at the A. and M. College at Lexington this year by Messrs. Clyde Grady, of Smith's Mills, Edward Rakins and Robert Haynes, of Roberts, and Miss Georgia Shelby, of Henderson.

Owensboro.—Mr. G. W. Byers, of Owensboro, has received a package of relics of the fight around Santiago from his son, Wilfred Byers, who was in the thick of it all. The most interesting is a piece of shell, which was found on the hill after the battle. He has a number of cartridges and other things that were taken from the Spanish in Cuba.

Fulton.—The State Election Commissioners have jumped from the frying pan into the fire again, says the Fulton Leader. They appointed, first, a Mr. Kimbro, of Hickman county, as member of the Fulton County Commission. Now they have appointed in his place Tom Dillon, Sr., who is also ineligible, as he happens to be Mayor of Hickman.

Hartford.—Mr. W. H. Allen and Miss Mamie Miller, of Flint Springs, drove into Hartford at midnight, and, according to the County Clerk, procured license to marry. Judge Miller was then sent for and the ceremony performed.

Grayson.—Grayson will hold a record breaking fair, commencing the 20th and continuing four days. Everything indicates a most successful meeting with an exhibit of stock and agricultural products never excelled in the Peninsular.

Deaneville.—Within the past week there have been four cases of diphtheria among the children of Deaneville, says the Owensboro Inquirer, and everyone of them has proved fatal in three days. The people are said to be very much alarmed.

Seabree.—A mysterious animal made its appearance in the Deer Creek flats near Seabree, and was seen last week by several people. It has caused a scare.

Pembroke.—Prof. D. R. Murphy, of Pembroke, has been called to the principalship of the Boys' High School at Ansonia, Ala.

SOUTH KENTUCKY COLLEGE.

Forty-Ninth Session Opens With More Than 100 Pupils.

The forty-ninth session of South Kentucky College began Tuesday and all indications point to the most successful year in the history of this old and honored institution. The enrollment for the first week is considerably in excess of one hundred students and the attendance later will probably more than double that number.

The main building will be filled with young ladies boarders and Mr. Carter, in charge of Prof. Kykendall, is already full.

AN UGLY WOUND.

O. T. Faxon, a carpenter who was employed at Galtier and West's warehouse yesterday met with a very painful accident. A fellow-craftsman dropped a hatchet from the roof of the building which struck Faxon on the left cheek, cutting a deep and ugly wound which bled profusely. It was necessary to take several stitches in the wound.

SMOTHERED TO DEATH.

An infant son of Thos. McKay, a colored man residing in the Northern portion of the city, was found dead in bed Wednesday morning. The coroner was notified and a jury summoned for an inquest. The verdict of the jury was to the effect that the child had been accidentally smothered to death by its mother having turned over on it during the night while asleep.

ANOTHER DIVORCE.

Chas. Malone vs. Molly Malone is the title of another divorce suit filed this morning. Plaintiff says they were married in this county on April 24, 1890, and lived together until April 1896, when the defendant without cause abandoned him.
